MEDHEALTH Regional Conference Announcement Call for Papers

Public Health Management Practices – Strategies for the Mediterranean Region
Tunisia, 29 – 30 September 2018

The Call

The MED-HEALTH project welcomes you to submit your abstracts to the project Final Conference in Public Health Management Practice – Strategies for the Mediterranean Region, which will be held on 29th – 30th September 2018 in Tunisia.

This Regional conference aims at bringing together public health professionals and leading academicians to debate on public health education, strategies and policies in the Mediterranean basin and to exchange knowledge and experiences on key public health issues, contributing towards promoting public health at a national, regional level.

Conference topics

The conference invites participants to submit *unpublished* theoretical, empirical and/or scientific papers focusing on the following topics:

- ▶ Regional perspectives in public health
- ▶ Public Health Education
- ▶ Biostatistics
- ▶ Epidemiologic Inference in Public Health
- ▶ Public Health Nutrition
- ▶ Humanitarian Relief and Health
- ▶ Public Health Policy
- ▶ Environmental Public Health
- ▶ Epidemiology and Public Health
- ▶ The Health Care Systems
- ▶ Disease Prevention & Health Promotion
- ▶ Information Technology and Public Health
- ▶ Social, Cultural and Behavioural Aspects of Public Health
- ▶ Health and Risk Communication in Public Health
- ▶ Quality & Safety in Healthcare
- ▶ Equity Issues in Public Health
- ▶ Design and Analysis Strategies in Health Services Research
- ▶ Hospital Management
